

'Bezna' in Romanian means consistent darkness + diffuse fear

Bezna is darkly glowing dead thinking, cosmic pessimism, hairy autonomy, inner reptilians, limbo sighs, horrendous pink volumes, underground nematodes, happy dismemberment, haunting prehumanism, compassion crises, glowing horror, sinister moods, aesthetic autophagia, postspectacle shelters, eternal stillness, future plague, decomposing knowledge, ouroboric moves, idiot nonknowing, shadow bodies, netherworld excavations, imperceptible evil, hyperbolic specters and news from Cioran.
