

Good girl, bad girl, you take me by the hand and lead me into the world where everything is known – past, present, and future, be not afraid, little flower heart glow, smiling sea anemone, earth song, emerald river dance, loyalty 2 Gaia, you're gonna wear the scar of a woman, wild angels, what a relief never having to be beautiful again, sun rays, silver lining, rosyfingered moon, to respond to life as though it were perfect.
