

In *LA Portraits*, the internationally celebrated street photographer, Estevan Oriol, explores the vibrant gang culture pervading the City of Angels. The book follows its immensely popular predecessor, *LA Woman* in its ability to capture an authentic view of the people of Los Angeles.

The collection comprises over one hundred iconic images sourced from Oriol's fascinating and extensive archive that spans over 20 years. Every photograph is shot on film, presenting the viewer with a unique and insightful journey into LA's gangland.
