Object

Format	softcover
Dimensions	11.0 × 5.0 cm

Interior

Pages	233
-------	-----

Charting a pathway of historical analysis and speculative association outward from The Beatles' "Sgt. Pepper's Lonely Hearts Club Band," "The Magic Circle" is a meditation on the form of the concept album as a point of convergence between the worlds of rock and art, as well as an experiment in conflating the critical methodologies appropriate to either side.
