

Following the success of *LA Woman* and *LA Portraits*, renowned photographer Estevan Oriol releases his definitive collection of photographs, *This is Los Angeles*. The anthology captures 20 years of his extraordinary photographic career.

Oriol's extensive portfolio juxtaposes the glamorous and gritty planes of LA culture, featuring portraits of well-known athletes, artists, celebrities and musicians as well as Latino, urban, gang, and tattoo counterculture lifestyles. His lens reaches the most exclusive groups in the city, from the formidable gangland to the rich and famous. He has photographed Al Pacino, Robert De Niro, Dennis Hopper, Marissa Miller, Kim Kardashian, Kanye West, Snoop Dogg, Floyd Mayweather, and Lance Armstrong to name a few. He has also produced shoots for internationally-acclaimed photographers such as Ellen von Unwerth for *Sang Bleu* and Luca Babini for *GQ Italy*.
